

Wednesday		Speaker/event information
17:00	Arrival and check-in	
21:00	Late dinner	"Pikkupaviljonki", Naantali Spa
Thursday		
7:00	Breakfast	Le Soleil restaurant, Naantali Spa
9:00 – 09:20	Conference room "Elisabeth" Welcome	Eva-Mari Aro: Welcome address Markus Teige: coordinator's report
9:20 – 10:20	Chair: Michel Goldschmidt-Clermont INVITED LECTURE	<u>Cornelia Spetea Wiklund</u> University of Gothenburg "Thylakoid K ⁺ and Cl ⁻ channels and transporters regulate photosynthesis in fluctuating light"
10:20 – 10:50	Presentations by ESRs and ERs	<u>Michele Grieco</u> , IPK Gatersleben "Acclimation of photosynthesis under drought stress"
10:50 – 11:15	Coffee	Café Roma, hotel foyer
11:15 – 12:15	Chair: Ute Vothknecht Presentations by ESRs and ERs	<u>Manuela Leonardelli</u> , UniVie "Out of control: stromal Ca ²⁺ - binding proteins reveal the central role of Ca ²⁺ in chloroplast functions"
		<u>Bikram Pandey</u> , AIT Vienna "A tale of novel chloroplast localized GSK3/shaggy kinase and its potential molecular targets"
12:15 – 13:45	Lunch	Le Soleil restaurant, Naantali Spa
13:45 – 14:45	Chair: Halina Gabrys Presentations by ESRs and ERs	<u>Michael Thaler</u> , UPMC "Phytochrome photoreceptor-mediated signaling in marine diatoms"
		<u>Julia Walter</u> , UTU "Discovery of a novel Ca ²⁺ -binding protein in the filamentous cyanobacterium <i>Anabaena</i> 7120"
14:45 – 15:15	Coffee break	Café Roma, hotel foyer
15:15 – 16:30	Conference room "Kristina" Round-table discussion	Eva-Mari Aro: European Academies of Science Advisory Council (EASAC) Markus Teige: "PhenoPlast" ITN
17:30	Herrankukkaro	Including all PIs, ESRs and ERs: Feedback discussions about CALIPSO strengths and weaknesses
Friday		
7:00	Breakfast	Le Soleil restaurant, Naantali Spa

9:00 – 10:00	Chair: Eva-Mari Aro INVITED LECTURE	<u>Roberta Croce</u> VU Amsterdam "Molecular switches in the thylakoid membrane 3.0"
10:00 – 10:30	Presentations by ESRs and ERs	<u>Gioia Lenzoni</u> , UDUR "Calcium signatures as outputs of the plant cell thermometer and control defence gene expression"
10:30 – 11:00	Coffee break	Café Roma, hotel foyer
11:00 – 12:00	Chair: Claudia Jonak Presentations by ESRs and ERs	<u>Verena Schön</u> , Ecoduna Metatranscriptomic analysis of industrial high volume photobioreactors: a holistic approach for the monitoring of reactor health status
		Izabela Matyszcak, Bayer Crop Science "Natural variation in wheat photosynthesis"
12:00 – 13:30	Lunch	Le Soleil restaurant, Naantali Spa
13:30 – 15:00	Chair: Marc Knight Presentations by ESRs and ERs	<u>Alexis Riché</u> , UniGe Functional analysis of Photosystem II phosphorylation in <i>Chlamydomonas reinhardtii</i>
		<u>Edoardo Cutolo</u> , UniBonn "CaS: from calcium-dependent phosphorylation to topology and physiology"
		<u>Valentin Roustan</u> , UniVie "Ca ²⁺ and light signals in photosynthetic organisms"
15:00	Coffee and pulla	Café Roma, hotel foyer
16:00	Samppalinna	Including all PIs, ESRs and ERs: Q&A session about compiling the final report and other CALIPSO finalisation matters Working group discussions for final reporting

Saturday		
7:00	Breakfast	Le Soleil restaurant, Naantali Spa
8:30 – 10:00	Conference room "Elisabeth" CALIPSO administration meeting	Only PIs required
10:00 – 10:30	Coffee break	Café Roma, hotel foyer
10:30 – 11:30	Chair: Alexander Gallé Presentations by ESRs and ERs	<u>Arpit Jain</u> , GU "Evolution of functional gene networks across species"
		<u>Weronika Krzeszowiec-Jelen</u> , JU "Chloroplast movements: (1) Where does calcium come from? (2) Are GLR channels involved?"
11:30 – 12:00	Closing remarks	Markus Teige
12:00 – 13:30	Lunch	Le Soleil restaurant, Naantali Spa
14:30 – 17.30	Individual discussions of PCDs and next career options	All PIs and ESRs on different round tables (each 45 min) in advertised meeting rooms
16.30	Coffee and snack	Café Roma, hotel foyer
17:00 18:30	Time for individual networking activities	
Sunday		
7:00	Breakfast	Le Soleil restaurant, Naantali Spa
Before 12:00 noon	Check-out and departure
